## **HW19-Team: Product Roadmap**

## Instructions

Team number and name: Team11 SkillUP

Names of students who actively worked on this assignment:

- Student 1: Akash M Dubey
- Student 2: Shiqi Yu
- Student 3: Rutuja
- Student 4: Dhrakshayani Priyanka
- Student 5: Divyank

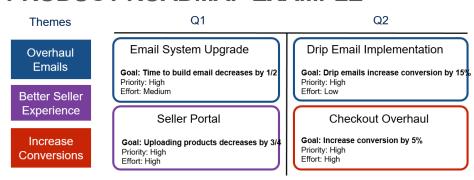

## Task:

Create a <u>year-long</u> product roadmap broken down by <u>four quarters</u> with projects in each quarter by <u>themes</u>. Include <u>measurable goals</u>, <u>priorities</u> and <u>effort size</u> for each project. Use an Example below as a template. List as many projects per Q as needed for your product (the example only has two projects per Q). <u>Product Roadmap page limit: two</u>

## **Assumptions**:

- 1. Your product will be launched in Q1 and all projects are "high" priority.
- 2. Starting Q2, you keep adding new features and improving old ones, so priority will differ
- 3. Effort size: S, M and L

# PRODUCT ROADMAP EXAMPLE

# **Your Product Roadmap**

Themes Quarter 1 Quarter 2

Improve Account Setup

Higher software application fluency

More convenient low-bandwidth file download

Better forum communication experience

User information security
